I was truly moved to receive the engraved beer mugs. I am sorry that I have only made it to the first Garden, but it appears there is always something on deck on the Friday nights.

A memento such as this is something that stays with you for a long time. Whenever I look at the mugs I will remember our visit to the Liquor Control Board to get our first license for a pub.

I look forward to the day when I can make the same trip with you again to obtain a permanent license for a College facility, i.e. for students, faculty and staff.

Thank you again.
