

It's 2 AM...

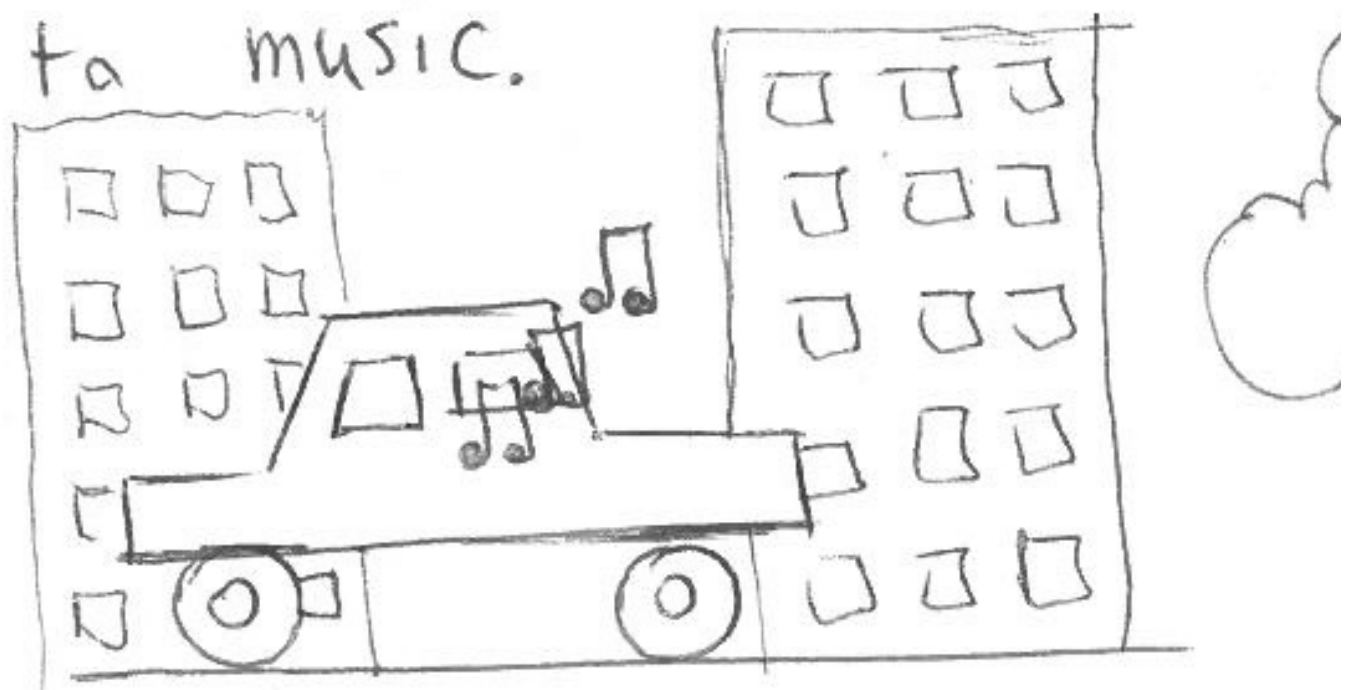

There is

Nothing

To Do!

by Amirhossein Zabeti

At 10pm in Tehran I
visit my friends. First
we meet up in our favorite
cafe. Then we cruise
around the city, laughing
, talking and listening
to music.

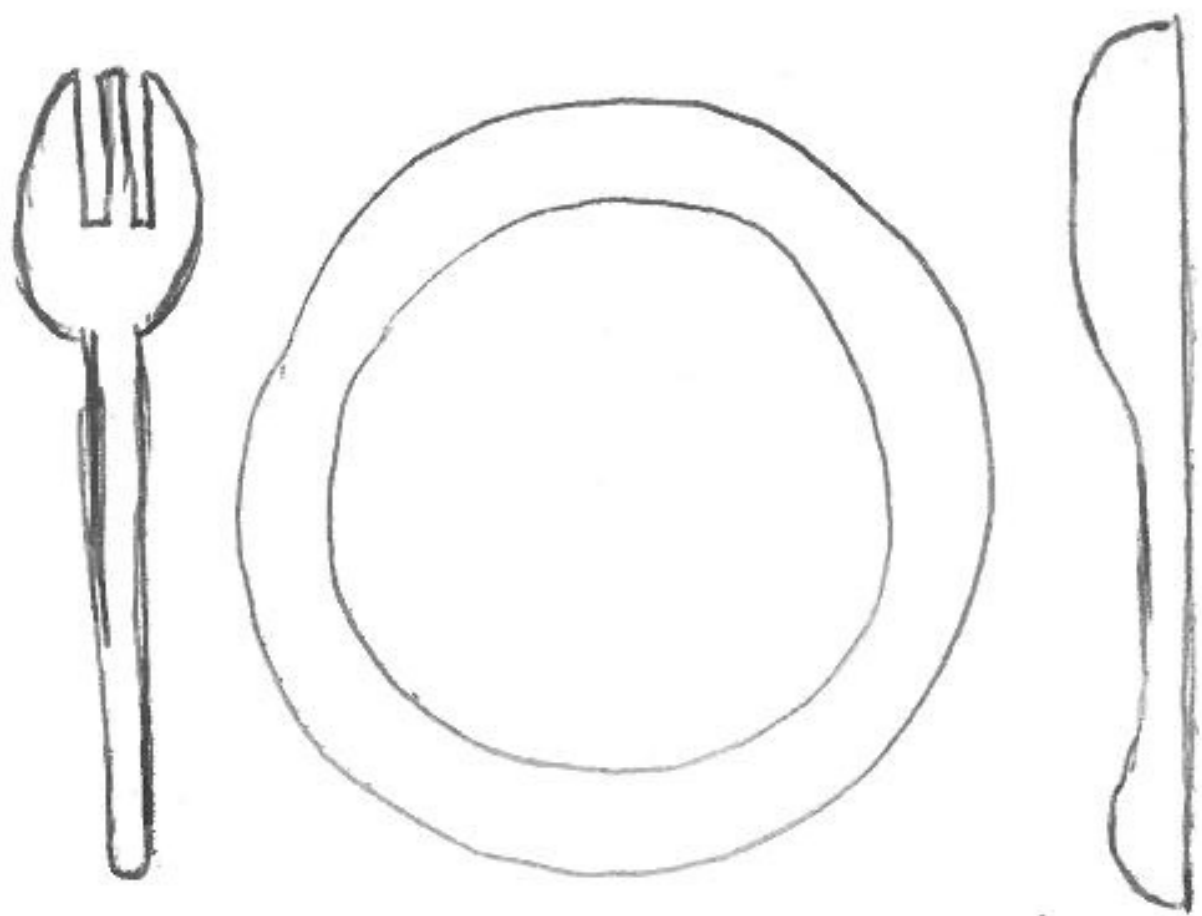

At 10pm in Coquitlam
I can't visit my friends.
Cafes are closed after
9pm and everyone is
at home. I cruise
around the neighborhood
alone.

Why do Canadian
close up so early?

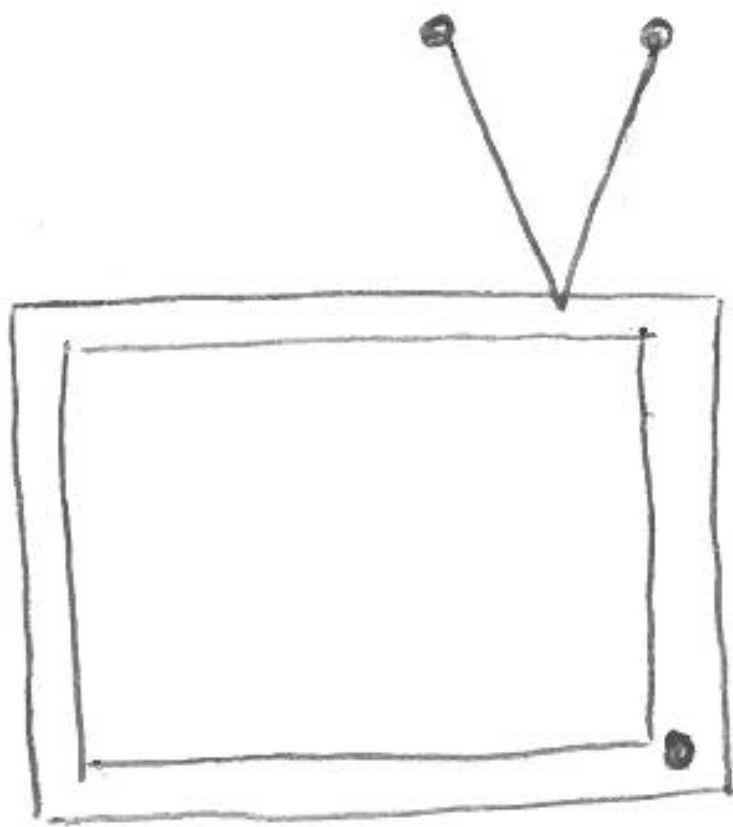

They usually eat their
dinner at 8pm.

But, I'm not hungry at 8pm.

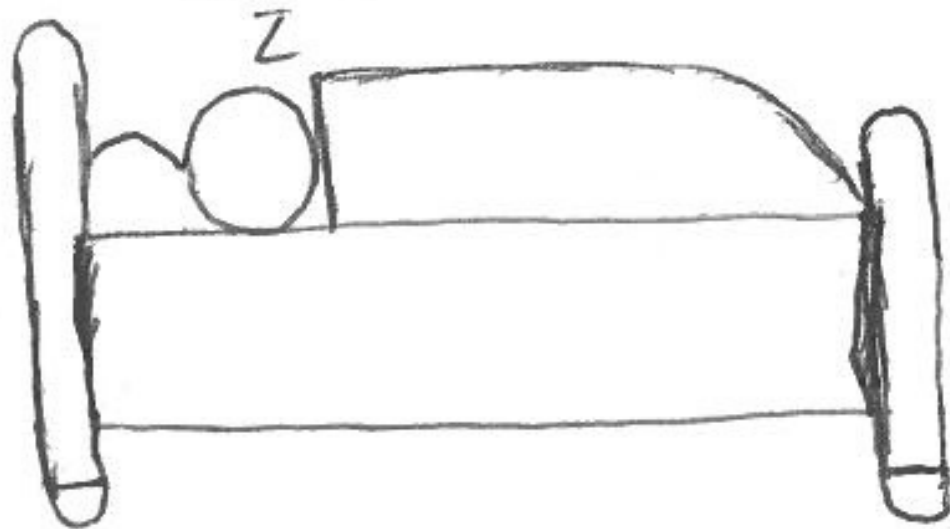

They usually watch TV
at 10 pm.

But, I'm not home
at 10 pm.

They go to bed
at 11pm.

z Z

But, I have a lot of
energy at 11pm.

2 AM In my
mind...
